

MGA RACE TO THE CANYON

What is Race To The Canyon?

- RTTC is a year-long MGA event that is built to encourage participation / camaraderie between any and all MGA members. There is no extra buy-in or entry fees, all current MGA members are automatically eligible to participate in the RTTC! The RTTC utilizes what's known as the Stableford scoring system, which converts a player's score for a hole into points. The beauty of using this system is that it allows the flexibility that any 18-hole round played by an MGA member can potentially also count as a score for the RTTC. This means that you can play with your normal group/game and be involved in an MGA event at the same time!!

RTTC Scoring

- All rounds submitted for the RTTC will be converted into points using the Stableford scoring system. A player's score for each hole is assigned a point value. Net scores will be used for points calculation.
 - Dbl. Bogey/Worse = 0 pts, Bogey = 1 pt, Par = 2 pts, Birdie = 3 pts, Eagle = 4 pts, Albatross/Better = 5 pts
- MGA Major Bonus Points
 - Bonus points will be awarded to top finishers in our MGA Major events.
 - 15 pts to 1st place finishers, 10 pts to 2nd, 5 pts to 3rd

RTTC Season Standings

- The best card will be counted for each player each week.
 - Weeks begin on Monday and end on Sunday.

RTTC Scorecards

The following criteria (in order of importance) is required for your score to count for RTTC.

1. **Score must be posted to GHIN.**
2. Playing handicaps used for the round for each player should be included on the card.
 - a. If the card is missing a player's playing handicap then their low index will be used for RTTC scoring.
3. Players' full names on the card. (should go without saying...)
4. The card is signed and attested.
